Block-of-the-Month Mystery Quilt

Month 6 Port and Starboard

Welcome to the sixth month in the **River Heritage *Block-of-the-Month Mystery Quilt!* Port and Starboard** is made from sixteen half-square triangles squares, like Trail of Tears, but with a different layout. Follow the instructions for value (light, medium, and dark) and use your own color scheme to make your block. You can use as few as three different fabrics or as make your block as scrappy as you like. Remember to check your values by taking a black and white picture of your fabric choices.

Cutting Instructions:

From light fabric:

Eight– 4-inch squares

From dark fabric:

Four – 4-inch squares

From medium fabric:

Four – 4-inch squares

RST = right sides together

Half-square triangles: Draw a diagonal line from corner to corner on the reverse side of each of the eight light squares. Layer one dark square and one light square, RST. Likewise, layer the other three dark/light pairs, RST. Stitch $\frac{1}{4}$ inch from the diagonal line for each set (chain-piecing method). Remove and clip the threads connecting the sets. Stitch $\frac{1}{4}$ inch seam on the other side of the drawn line. Clip apart. Cut on the drawn line. Press. **Trim/square each set to 3 $\frac{1}{2}$ inches.** Makes eight sets.

Repeat the above method using medium/light combination to make eight sets. **Trim/square each set to 3 $\frac{1}{2}$ inches.**

Assemble block: Position the sixteen half-square triangles according to the picture. Take a black/white photo to double-check your layout using value.

Turn each piece from Column 2 onto Column 1, RST. Chain-piece a $\frac{1}{4}$ inch seam on the right edge. Clip apart and press odd rows to the right, even rows to the left.

Repeat with the next section by turning Column 4 onto Column 3, RST, stitch and press. Repeat with the final two columns, stitch and press.

Nestle seams and pin Rows 1 and 2, RST, and stitch. Press open.

Nestle seams and pin Rows 3 and 4, RST, and stitch. Press open.
